“ *Hugs and Condolences to Jane and her boys. I met Frank and Jane at our Skin Center at the Buffalo Clinic. Frank and his lovely wife Jane are 2 of my favorite patients! A smile would spread across my face when I would see their names on my schedule and I would ask our secretary Jeaneen to schedule a little extra time so we could visit. Their zest for life was infectious! They never stopped learning new ways to keep active and healthy - I learned a thing or 2 from them. Such an inspiring couple! Jane - you are in my thoughts and prayers, we will talk soon. I truly enjoyed caring for Frank. I will miss Frank deeply.*

With Sympathy,

Teresa Wrobbel MD
