Tribute Wall

“ *Now rest easy Old Warrior your time has come,
all those battles fought, all those Wars won,*

*No one had to tell you wrong from right,
You just picked up the slack and fought the fight,*

*You built the roads, the bridges.. the schools,
Newer generations are starting to look like fools,*

*A worker, a Father, a Patriot, a great friend,
I'm just putting to words the best I can,
You were just a helluva true American.*

*And I will miss him.
