“ *Joyce and family, Thinking of you all at this time and remembering
all the good visits I had with you and Frank in many years past. I
have to say that a memory that is important to me, is that Frank and
you, Joyce, took me to a Billy Graham revival meeting when I was
16. It stuck and I'm thankful for the time you took to make sure I
heard the Gospel! Praying for you all. Frank was a very wonderful
guy.*
