Frank worked at Honeywell as an Engineer for 37 years in the Solid-State Electronics Division. He was so respected that if there were union issues, he was the only person that was allowed to cross the picket line to help with repairs.

Frank and Jo were married in St. Thomas, US Virgin Islands on February 4, 1994. Their dear friends, Bill and Candy Bertram, shared in making this a beautiful memory. The two couples traveled and stayed on the island of St. John for 26 years together.

Frank was a tenacious athlete; he worked very hard to master any sport he participated in until he could do it well. He was an excellent bowler, scoring 300 many times. He played fast pitch baseball and softball. Frank loved golf and was lucky enough to play in Ireland and the Caribbean. He spent many years at New Hope Village Golf playing on leagues. When he was not able to golf, he loved to watch it on TV.

He loved remodeling his classic Chevy Truck.

Frank will be remembered by many people for his very kind and gentle soul.
