“ I met Frank about a year ago. I learned a lot from him in that time. My deepest sympathy to his family.

“ Hi my name is Ken Fahey. I have known Paul Hallberg for about 9 months now (Priority Envelope) Immediately Paul and I became friends. I was invited to a surprise birthday party this past summer for Paul and met most of the Hallberg family and Frank. What a wonderful family the Hallbergs have." So friendly and close together". Sorry for the loss of Frank I am sure he is truly missed and will remain in your hearts forever with many memories and Loving thoughts. There are no words that can explain the loss of a family member or friend. Just always remember Frank is there only in a different kind of way watching over the Hallbergs. Thanks Ken

“ *Frank was an awesome co-worker and friend who had a great sense of humor. He made me feel welcome the minute I started working with him at Precision Graphics (he probably waited at least a day before pranking me). He was a stand up guy who even took me out to lunch as a thank you for getting him hired on at RRD. Gonna miss ya Frank.*
