

## Frank William '(Bill/Frank)' Jensen

July 11, 2015

Jensen, Frank William (Bill/Frank) Born Nov 4, 1928 in Battle Creek, MI to William and Rachel Jensen, both of whom preceded him in death. Frank died at age 86 on July 11, 2015 from cancer two days after the 66th Anniversary of his marriage on July 9, 1949, to Lorryn Dumas of Long Lake, MN. Bill attended schools in Battle Creek and then joined the Army, thereafter being known as Frank. He served in the 8th Army, Gen'l McArthur's Occupied Japan as a Surveyor's Asst. Later he felt lucky being an early pioneer in the Guided Missile/Computer field, receiving his training at White Sands Proving Grounds in New Mexico and aboard the Norton Sound ship in San Diego. His wife enjoyed being an Army Wife; making their home in El Paso TX, San Diego, Seattle, and other places as civilians later. After his discharge Frank fell in love with Lorryn's home city and state. His first employer was Microtone in St Louis Park and after that he made use of his valuable Army training to enter the computer world in its early days at companies such as Sperry-Rand-Univac and later others with a lot of air travel. Frank had many interests in life, including lake living, 10pm News, football and baseball (Vikes and Twins) good music, space, animals, canoeing & fishing, chess, scrabble, & talking with people. Frank is survived by one sister, Marian Nisper, Spring Lake MI (Ken died in June); wife, Lorryn; son, David (Mary), Duluth; daughters: Teresa Grieco (Richard) Pearl River LA; Judy Murphy (Michael) Sebring FL; many grand-kids, nieces and nephews and special friends who were dear to him and Frankie (cat). A special thank you to the staff at Good Samaritan Nursing

Home, especially Jennifer and Liz, for their care and kindness. Also a special thanks to Jeff, and the entire hospice team from Methodist Hospital for your care and support. Private Services.
