“ October 20, 2011 Elaine and Family--Frank provided a great sense of joy, humor and kindness that I always will remember. We had both correspondence and conversations this past Spring and Summer; one of which was involved with his volunteer work with SCORE. Most recently, I was in Minneapolis and called Frank in hopes of getting together. Unfortunately for me, Frank was leaving the next day to be with his son and doing a "little painting" in preparation for the birth of his newest grandchild. It was during a telephone conversation I had while at a Minneapolis restaurant that I spent my last 30 minutes with Frank. Comments on the Twins season, Elaine, jabs at his dear friend "Old Hugh" as he referred to him in email form, and his family in general were the topics covered. He was upbeat, silly, funny, opinionated---a joy When I told my wife, Theresa, she broke down immediately. She dearly loved Frank---- maybe because he cared so much for others. God Bless to all the Malleys/Zimmers et al. And God Bless to you Frank. Please let our dear Lord get a word in now and then.

“ Elaine and family: I have so many great memories of Frank from our days at ND. I have wracked my brain trying to remember him in a bad mood. While my brain may be addled I can't recall any. But I recall many acts of charity, friendship, and kindness. Last week I reminded Hugh M about the time Frank disappeared for two days after the terrible Palm Sunday tornnados of 1965 that destroyed a part of Elkhart. He was on the scene helping people search for their belongings. Even though I have not seen him often in recent years, I will still miss him. God bless all of you. Joe Gultinan

“ *Elaine: The recent news regarding Frank was just received by me. Am sure you and the family is going through a sad time but hopefully you will be blessed as time passes. Having hired Frank to join 3M I was confident that he would be a great asset to 3M. Obviously he was as it became evident throughout his career in 3M Imaging. My best to you and the family, Dick Bolds*

“ *Elaine & Family : I cannot express my sadness to hear the news and reflect on what Frank meant to me personally and professionally through the years. He was on the TOP 5 list for all time good guys from the 3M days helping me as a mentor, leader, confidante, and friend. His caring for others set him apart along with his family values and love of life. I pray that you will receive comfort from the number and value of his friends and colleagues when we all think back and remember Frank with great respect. Please accept my condolences and best wishes for your entire family. Alan Smith*

“ Dear Elaine, Colleen, Michael, Kevin and grandbabies, Frank was one in a million. I truly enjoyed each day I had the pleasure of working with him at 3M. He loved you all so much...as he did his beloved alma mater...Go Irish! I will be toasting him in true Irish tradition from the bottle of Sambuca he gave me on my 40th birthday. My deepest sympathies to each of you. Bobbi Piasecki

“ Dear Elaine and Family, I had the privilege and good luck to work with Frank through SCORE. Our most recent meeting was to have been Sept 19, but he needed to cancel to see his physician. Frank gave me such inspiration and support during the process of starting my business as an RN patient advocate. He did share with me some information on his own health challenges, but I would never have imagined he'd leave us while still so young. I am bereft at his passing; I can only imagine how you, his loved ones, must feel. He spoke of you all with the utmost love and pride. In a recent email, I named a new "medical condition" in his honor: Stubborn Irishman Syndrome. If I enjoy the kind of success in my new business that Frank foresaw, it will also be Frank's success. I knew him so briefly, but gained so much. As we say in my family, may his memory be a blessing to you all.

“ Although we never met Elaine I had the privilege to know and work with Frank at various RSNA mtgs over a long span going back to the early 1980s when I attended from UK. My deepest sympathies to you and all his family at this difficult time. 3M is a wonderful company with a great bond within its employees - Frank was a great example to us all in every way but especially in his humour....
