

Frank E Merry

December 28, 2017

Merry, Frank E. Age 96, of Minnetonka, went to be with his friend, Lord and Savior Jesus Christ December 28, 2017. Preceded in death by wife Ardis, daughter Michelle Hafich, son-in-law Michael Hafich, parents, and two siblings. Survived by children Tom (Linda), Scott (Alice), Robin Walden (Trent), John (Jenny); 11 grandchildren and 3 great grandchildren. Frank was raised in Fairmont, MN, and attended Hamline University and the University of MN, where he earned a degree in business. He was a WWII veteran, serving in the Navy in the South Pacific. After the war, Frank met the beautiful and gracious Ardis Nelson. They were married in 1948 and experienced life together for 45 years. Frank was a tremendous provider for his family, following up a 10-year career at Pillsbury by working as company Treasurer at McLaughlin Gormley King for many years. Frank enjoyed sailing, swimming, golfing, traveling, crossword puzzles, and spending time with his family, but most enjoyed studying God's word and developing his relationship with Jesus Christ. He began each day by reading his bible and several devotional books, and praying for his family and others. He served God by utilizing his accounting skills as Treasurer of Minnetonka Community Church for many years. His greatest hope and prayer in life was that his children and grandchildren would recognize their need for a savior, repent of their sins, and accept the forgiveness (and abundant eternal life!) offered by Jesus Christ. Funeral service Thursday, January 4th at 2PM, with visitation one hour prior, at Washburn-McReavy Funeral Chapel, 1400 Main Street, Hopkins. In lieu of

flowers, memorials preferred to Wycliffe Bible Translators.
