

Frank Norante

March 4, 2012

Norante, Frank Keltz of Edina, MN and Henderson, NV passed away unexpectedly Saturday February 25, 2012, of natural causes. Born in Latrobe, Pennsylvania, on October 7, 1956, the beloved son of Nicholas John and Barbara Jennings Keltz Norante, Frank was a graduate of Knoch High School, Saxonburg, PA, and the University of Cincinnati, where he was a member of Sigma Alpha Epsilon. Frank had a long and successful career in the insurance and financial industries. Frank prided himself on understanding the details of the technologies and practices of the industries he served, but most valued the friendships he developed with his clients and colleagues. Frank most recently worked for Aon Risk Solutions, an insurance brokerage and risk advisory firm. In 2006 Frank recognized a need to assist Aon in Canada to provide dedicated service to Canadian-based companies that do business in the United States. This initiative was implemented and the "Canada Desk" was born. It has become such a success and an invaluable service that Aon offers to their clients, that in six years the "Canada Desk", starting with Frank alone, has grown to a unit of five within Aon. This was his passion, his baby and is his legacy at Aon. Frank enjoyed his life in Minnesota, especially the outdoors. He was an avid fisherman, treasuring the time he spent on many trips to Canada and in Minnesota on the water and in camp with friends and family. Frank was also proud of his skills in home renovation; he always had a project underway or in planning. He enjoyed entertaining friends and family, who always had an open invitation to visit. Frank is survived by his cherished

wife J.J., his mother Barbara, and brother Nicholas J. Norante, Jr., both of Butler, PA, sisters Christine (Robert) Weyant of Wexford, PA, and Virginia (Tod) Schmidt of Twinsburg, OH, his niece Laura (Ben) Erdeljac, and nephews Robert Weyant and Nicholas M. Norante, his great nephew Lucas Erdeljac, and beloved aunts, uncles and cousins. He was preceded in death by his father Nicholas, and his mother in law, Hardy Lowe Clay, who made her home with him and JJ in her final years. Frank will be sadly missed by his family and all who knew him, but fondly remembered as a generous, loyal friend and a hard worker, always endeavoring to help in any way he could. Services will be held Saturday, March 3, 2012 at 11 a.m. at the Washburn-McReavy Funeral Home in Edina, Minnesota. A memorial service will be held in Pennsylvania on a date to be announced later. In lieu of flowers donations to the Minnesota Humane Society or charity of choice is preferred. www.Washburn-McReavy.com Edina Chapel 952-920-3996 West 50th St. & Hwy 100

“ I'm just now finding out of Frank's passing, shocking to say the least. J.J., may each time you look up to the darkness of the night's sky, you see a single bright twinkling star shining down upon you. Why do I say this? You see, it is an old Eskimo belief which says perhaps they are not stars, but rather openings in Heaven where the love of our lost ones pours through, letting us know they are okay. May each time you see this shining star, twinkling and flirting with you, you know it is Frank. The warmth, the kindness, the compassion, the companionship and the physical Frank may no longer be present, but he will live forever within your heart, until the day you meet again. Frank was very good to me. He made me laugh, made me feel secure, helped me in many ways all during a time in my life which was anything but secure. My memories of Frank have and always will be very cherished moments in my life. For this, he will remain a part of my heart too. My deepest sympathies to you, J.J. and to all of Frank's family. How devastating for his Mother to lose him first. For this I am especially sending heart felt wishes of condolences to her and his family. May God be with you all. Frank, thank you for visiting me last night and letting me know you are gone. I know you are making the angels laugh and doing what you do best, just being you. You take it easy old friend, thanks for all that you did, all that you were and most of all, for the beautiful memories.

“ My first encounter with Frank was in the mid-80's when he was an underwriter at Maryland Casualty, and I was a Customer Service Rep at Cleary Agency. Years later, when he joined Aon, we were able to renew our friendship, picking up right where we left off nearly 20 years earlier. Shortly after Frank joined Aon, the office held a "decorating contest" for Christmas. Many of our colleagues spent a great deal of time adorning their workspaces with class and grace. Not Frank and I - we drug some old lawn ornaments (3 wire deer) in and hung blinking dog collars from them - proudly winning a prize for "tackiest holiday decor."They say that some people are like the moon (absorbing light) while others are like the sun (giving off light). Thank you for all the light that you shone on us, Frank.

“ It was my privilege to have Frank as my next door neighbor for 18 years. He was more than a neighbor, he was a kind, caring and helpful friend and made this world a better place. Since I am many years his senior, Frank showed unusual compassion and understanding in the countless ways he was concerned for my well-being. Dear Frank, I will miss you so much. My love and prayers are with JJ and all your family. Evelyn Duoos, Edina, Minnesota

“*Joanne and I were at the service today. It was a beautiful memorial to honor a good friend. Frank was a wonderful person who never had a bad word to say about anyone and was always concerned about everyone else. He could hit a drive farther than anyone i know and captured the longest drive award many times at the DMO. The world is a sadder place with out Frank. He will be missed.*

“ I was shocked to hear of Frank's passing, He and I had a lot of laughs over the past few years especially when he would start with the Canadian jokes. Because he was working with the Canadian offices one visit to Edmonton we presented him with an "I am Canadian" t-shirt as we definitely felt that he was "one of us".
