“ Frank is, and was my beloved and wonderful brother. We knew each other for 80 Years. He was the son of a proud Mother and Father who dearly loved and cherished their six foot tall (plus) hansom son. He was a close friend and companion to me throughout my life and greatly contributed to the Pince family's historical significance. He will be dearly missed by all who knew him.

Frank, our sister Patricia, and myself have a mutual verbal and spiritual pact to keep an eye-out for each other down-the-road. After all, we did know each other for all the years of our respective lives.

We'll be keeping watch for you, our beloved, and dearly missed Big Brother,  
Rest In Peace, Francis Gale Pince . . .

With love and respect for your memory Frank, Howard Thomas Pince.

*Frank was 'one in a million' kind of guy. There wasn't anything he wouldn't do for a friend. He helped us immeasurably on the homes we owned over 60 years with his impeccable workmanship. We enjoyed so many wonderful times with Judie & Frank over the years. We only wish there were more to share with Frank. We extend our love & sympathy to all his children and to Judie, who was always by his side tending to his health concerns & needs. We will miss you, Frank! We know you had a happy reunion with Frankie, Patty, your mom & dad & the rest of your family & friends. Rest In Peace dear friend. May the perpetual light shine upon you. Until we meet again.....
