“ *Frank was a great man, genuine and a wonderful sense of humor. I worked along side Frank through Ducks Unlimited and remember all the great laughs we had. He will be missed, my condolences to Peggy and his family .*

“ *As a small seventh grader, Mr. Quigley made me feel comfortable in that large building. He was my bus driver for a lot of years and always showed an interest in what I was doing. I remember in ninth grade, he told me to come back into that custodians' office to get a broom a teacher sent me to retrieve. Frank helped me feel at ease. All the way to my senior year, he would still chat with me in the halls. I always appreciated his charm and joking manner.*
