

## Franklin Theodore Morris, Jr

July 10, 1934 - February 1, 2025

Franklin T. Morris, Jr., age 90, passed away February 1, 2025.

Frank lived large! He made a lasting impression on all who were fortunate to know him. He wore many hats - son, brother, nephew, husband, father, grandfather, great grandfather, and great friend.

He was born in Minneapolis, MN to Frank Sr. and Astrid Morris on July 10, 1934. He was the oldest of nine children and grew up near Medicine Lake in Plymouth, MN. During the terrible outbreak of polio in the 1940's/1950's, Frank contracted the virus in 1950 at age 16. He spent a year at Sister Kenny Institute learning how to walk again, and was even treated by Sister Kenny herself! He graduated from high school in 1953, lettered in golf, and was class president.

The most important things in his life were, family, sports and being a CPA. He graduated from the Minnesota School of Business, became a CPA in 1967, and after many mergers, he retired with the same firm he started with.

He had many interests - coaching youth sports, fishing, camping and being involved in the church. He took extreme pride in many things: being a loving husband to Crystal, being an amazing father to four kids, and being a highly ethical CPA. He was especially proud when his only daughter, Lynn,

graduated from college.

Frank had many outstanding qualities including, but limited to, honesty, strong spirit, generosity, and perhaps most important, his faith in God and the church.

You will be sorely missed, Dad, rest in peace.

Frank was preceded in death by his parents and two sisters. Survived by wife of 70 years, Crystal; sons Steven (Val), John (Kari), Tim (Shirley); daughter Lynn (Thomas) Wiggins; 10 grandchildren and 24 great grandchildren; and many friends and relatives.

Services will be held on Tuesday, February 25th at Oak Knoll Lutheran Church, 600 Hopkins Crossroad, Mtka.; visitation from 10-11 AM, service 11-12 AM, followed by lunch.

Memorials can be made to Oak Knoll Lutheran Church in memory of Frank.
