“ So many great times with Frank and family - recruiting doctors, boating on Cross Lake, taking in the splendor of Bernies Pond. He was one of a kind. I am so sad to know he is gone. So long old freind.

“ My most enjoyable job was working for Frank and Vickie @ Heartland. They were the kindest people to work for, also worked with Frank at St. Gab’s and knew them from church. He will be greatly missed. Thank you for the memories Frank!!

“ Our families did a lot of fun things together including a trip to Disney World. We coordinated a number of camping trips to the Army Corp of Engineers campground at Cross Lake. I was envious because they had a self contained pull-behind fifth wheeler; I had a pop-up tent.

Frank was a jokester. My kids bore the brunt of his teasing and they loved him for it.

Frank was a neat-nik. No one had as nice a yard as Frank Schrupp did. He was meticulous in the care of his "toys" meaning his boat, truck, cars, John Deere riding lawn mower etc.

Not only was Frank a good man but he was also my friend and I will miss him dearly

With utmost respect, Allan Solum.

I loved working for Frank at St. Gab's doing Cardiac Rehab for 9 years. He was supportive and always had time to listen. He had a great sense of humor and I still tell some of the jokes. He did a lot for St. Gab's and I will miss him.
