“ Sharon, thank you for recording the service so that we could all be a part of remembering Uncle Fred. I wish you and Steve peace in knowing that your mom and dad are together again and safely home with Grandma and Granddaddy. 💕

“ Hello McAller Ranch.....Sad to hear this but Dad didn't need to hang around and deal with the cards he'd been dealt. So, it's a good thing really and Mom's been waiting on him long enough!! Mr.Fred was my auto-repair mentor, guidance counselor, and Friend. Went to lots of swap-meets and car shows thanks to him and he took me to Winter Nationals which got me hooked on Top Fuel! I enjoyed making him laugh and really enjoyed doing something crazy enough to garner "The Look" before he laughed. Like the time I broke a cam shaft in five pieces. Or when I told Steve to grab the Brass magnet. Or we'd joke about "muffler bearings" and "turn signal fluid".....We always had fun. He will be missed but Never, Ever, Forgotten.
Respectfully, Dan Thurber jr.

Thank you! My dad has that look and continued to have it with the staff at his facility. Thank you for sharing your memories of him.
