“ Dearest Family - please know that you are in our thoughts and prayers. All my memories of "Uncle Fred" involve that loving smile and lots of laughter. I always came away with a warm heart from all of our chats over the years. He will be deeply missed but I will always have lots of great memories in my heart. I thank the Lord for sharing Fred with me. What a treasure to know that he is with the Lord. I'd like to think that Dad was there waiting with a golf cart ready to play the first of many rounds together. God Bless you all.

I am thinking of you all and keeping you close in my heart with thoughts and prayers. I too have so many memories of "Uncle Fred". He was one of a kind. No doubt about that. One thing that will always stand out in my mind about him was that every time I had the chance to see him - to visit with him - he always made me feel so special - so important to him. That big smile - those bright eyes - I feel very lucky to have had him for my uncle. Take good care of each other and hold on to the many wonderful memories that you all share of that special man. God Bless you all. Love you. Kay
