“ Rick,
Wow how time has slipped through our life. I still remember that day that you came into my life by marrying my sis Beth as if it was yesterday. How proud you were of the brown Camero I still remember that day you brought to the house and dad said – WHAT ?? Where is Amy going to fit ?? LOL Many fond memories I have of things you gave me, did for me and also the trip to Florida that we all took still vividly remains in my mind & heart as if was yesterday. We had many laughs and fun together that will always remain inside of me. I thank you for being a GREAT father to all your children especially my favs Amy & Lisa. The journey you are now on is one that we all look forward to in years to come when we meet again. Keep that yellow candle burning till I get there, and by the way please hug and say hi to my mom and dad ! Take care of yourself!

Love,
Cindy & Terry Manes
