“ There was and will be only one Fred. His gift to this world is the many memories and laughs he gave us for so many years. The banter and stories among my Dad and Fred and Uncle Brian was better than any comedy show around. I am grateful for and will cherish each memory. I hope the love and support of friends can be of some comfort to Karen, Mark, Craig and the entire family during this time of great loss and grief. Julie Ponto

“ My condolences to the family. I met Freddie in our golf league. Fred was a true gentleman, and he was willing to bet on every hole, which he would win with regularity. Such a kind and happy person, he will be missed. I have many fond memories of Freddie. I am certain he is teeing it up with St. Peter, and there is money on the hole. “ So saddened to hear of the passing of Freddie. I have such wonderful memories of playing golf with him my father and brother at the Fredrick Golf Course. After 18 holes we would hit the Fredrick Bakery. Freddie loved his Eclair donuts. He was such a friendly person to everyone he came in contact with. My condolences to Karen, Mark and Craig.

Freddie was the most energetic guy I've ever met. If it was bird hunting, golf or racquetball he was the first one there, and the last one to leave. His energy contagious and kept the conversation lively. When it comes to zingers and jabs, he gave as good as he got. Oh the fun on the annual Steen tourney. We lived for it. The best times I've had was the fellowship of our crew on racquetball nites. No, there'll never be another like Freddie. To Karen and Mark, and Craig I say thank you for sharing Freddie with us. I hear that tears will never stain the streets of that city called Heaven, that's why we cry here. To the family, Lu and I will pray for you in the days ahead that God will comfort you. I hope the outpouring of love from family and friends will also be a comfort to you.
