“ Dear Dennis and family I was sorry to learn of your Mom's passing and wish to offer you my sympathy and assure you of my prayers during this very difficult time in your lives. I know she had not been well for some time and thus her death was not totally unexpected but I also know it is hard to lose a loved one not matter what the circumstances. you can take comfort in the fact that she is now "home" with no more sorrow no more suffering and reunited with your dad and other family members. I did not know your Mom but she certainly raised a fine boy in you. I think that the last time I saw here was at Albert's visitation although I did walk by her room a few times at the home in Alex and looked in on her I will not be able to attend the funeral gut I will give a card to Lisa and I made a don to the Kong lawn fund in her name.

“ I am very sorry to hear about Frieda passing away. We enjoyed visiting with her when she lived in Edina in the same complex as our grandpa. May she rest in peace.
