“ *The world is a lesser place with Mr. Fritz Tyra here. As just a kid who met him on summer vacations at Ruttger's in Brainerd, I learned so much from him and will always appreciate his time and caring over the years.*

While you will be missed, you will live on in my memories and the important things you taught me -- how to give of your most valuable resource, time. How to tell a good joke. The value of friendship, and the importance of the simple things in life -- a banana slicer for example.

May you rest in peace.
