“ *I was so lucky to have you for a Mom. I am so grateful for all the times we had together. Mom you're the one that's always been there right from the start with unconditional love and support. You stood beside me through my ups and downs and your love was always there. Gone are the days we used to share but in my heart you are always there. The gates of memories I will hold deep in my heart. I miss you more than anyone knows. Love and miss you everyday Always and Forever your son Mark.*
