*Very nice service. I worked with Gail at Anoka care center. I always enjoyed working with her. She had a great sense of humor. Sorry I couldn't attend. We spend our winters in Texas now and are already here. I was glad to be able to watch the service. Also glad that Barbara was there to represent those of us who worked with her and say a few words. Thanks Barbara. My sympathy to her husband Phil & all her family. May the Lord bring you comfort.*

I will always and love watching the humor between Phil and Gail trying to make her taller 😊 ( I can really related with her on that end 😊 ). You guys were very much part of my family and ia very mportant part of my life. My sympathy for your loss of such a great and very much loved lady, your mom and wife and my friend, Gail. “ Gail was one of the nicest and kindest person I've ever been lucky enough to meet. I don't think I can ever remember a time she didn't have a smile on her face.

She was always eager to share a special moment in her life with me either by showing photos or just telling a story about her beloved cat. I especially cherished the teasing between Phil and Gail. The quick comments followed by a wink and a "dear" or "deary" comment. It made me smile.

This woman was one of the best there ever was, and will be missed by many! God Bless your family and friends at your time of loss way too soon!
