

## Gail P (Metze) Jorgensen

March 2, 2018

Jorgensen, Gail P. (Metze) passed away on March 2, 2018 on her 76th Birthday in Clearwater, Florida. Gail was born in Fall River, Massachusetts, and raised in Coronado, California. She met and married the love of her life and soul mate, Jay Jorgensen, September 1, 1960. They spent 56 loving wonderful years together. She is preceded in death by her mother, Hazel Metze. Survived by her father, Captain George Metze; brother George Metze; husband Jay Jorgensen; daughters Kimberly Dupre, Joni Karels, and Lisa Kniesel; grandson Brandon Harrington; granddaughters Jacqueline Dupre, Dani and Ali Karels. Gail was a kind spirit who loved her family very much. She spent her days enjoying all that life had to offer: music, dancing, movies, playing cards and games, and spending time with her kids and grandkids, but most of all, her husband. She was a kid at heart, relishing in the simple joys of laughter and fun. She made friends everywhere she went. Gail will be remembered for her gorgeous smile, contagious laugh, and the way she lightened up every room she walked into. Mom, we know your love will never go away, because you will walk beside us everyday. Unseen, unheard, but always near, still loved still missed, and very dear. No farewell words were ever spoken, no time was given to say good bye, you were taken from us before we knew it, and only God knows the reason why. Gail, I may be apart from you for now, but your spirit lives within me sweetheart, forever in my heart. Remember that I love you sooo very very much! Funeral service to be held Thursday March 15th at 11AM with visitation 1 hour prior at Washburn-

“ As Gail’s brother, I have many fond memories of our time together.

*Perhaps my strongest memories of our sister-brother experiences, revolves around our time together, crammed into the back seat of our parents car for our routine cross-Country trips. See, every 3-4 years, we moved from one side of the country, to the other, as part of our dad’s new assignment with the Navy. That wasn’t so bad as we did stay in Rt 66 motels that always had a pool. Gail and I loved being freed from the car and spending hours in the pool splashing each other before bedtime. But I’m sure Gail would agree that the most memorable part of our 2-3 week trip across country, was having to endure a smoke filled car...as both parents smoked (those were different times), and mom, because she didn’t want her hair messed up, prohibited us from opening the windows in the car. But Gail found a way around mom’s edict - we would crack the windows just enough to insert our noses in the opening. It was a Godsend of fresh air, and I have Gail to thank for helping her brother.*
