“Katie, our deepest sympathy and prayers to you and your family. It was always such a great time getting together with Gary and you up at my Dad and Mom's lake and at get togethers at their home. There was always belly laughs when we were all together! I will always have those memories with me and when I think of them I just chuckle ;)

Love and prayers. Gary will always be in my heart and know Dad and Mom are doing the belly laughs!

Thank you Gary for everything!
