“ Dear Jeanne, Jill, Michael and Jon B,
Oh my goodness, Jeanne----we were so sad to hear of Gary's passing. I think of those twinkling eyes and terrific smile. We had so many lovely times together as couples and families. Shayne sends a special hug to Jon B. Tim fondly remembers that nobody could catch walleyes in cold weather on crawlers like Gary could. Hes and he tried to figure it out, as Gary just chuckled! Sending our love and sympathy, Cheri and Tim Bergien

“ Dear Jeanne, Jill, Michael and Jon B.,

You have been in my thoughts since I heard of Gary's sudden, tragic death. I realized that I no longer have a current address or phone number for you, Jeanne, a chilling realization of quickly we can lose track of people we care about.

Your Detroit Lakes days are my fond memories of good friends, cute little kids, and being young! Those will always be my memories of Gary.

Hugs to each of you. Stay strong.

Love and sympathy,

Sharon (Santwire) Sinclair
