“ To Wendy and family, Steve and I are so deeply saddened by Gary's passing. His exuberance in his faith has had such an impact on our's and I'm sure countless others. He had the gift of giving such pure joy to people by that wonderful smile and all of the heartfelt compliments he gave us. More than anything though, he exuded such deeply convicted love for his beautiful wife Wendy and his family. We are so grateful to have crossed paths. We will miss him dearly.
