“ I had run into Gary at Classics on 65 in Ham Lake last year and we talked for about an hour each time, he was look for a olds 442 and at Harbor Tools on Central where we also talked for bout an hour each time. It seems like a short time ago that when we were kids we would hang out together. I did go seem him at Mercy hospital a few weeks ago and he did not look in good shape and I do not think he recognized me. I had hoped we could reconnect this year and talk about our cars. He was too young to go , he was one of my favorite cousins.

“ My whole family is very heartbroken to hear about Gary's passing. I met Gary back in 1982 when I moved to the neighborhood. He befriended us and was there when we needed help. We loved seeing him drive around the neighborhood in his pride and joy cars! Gary was a kind and generous neighbor. We loved him and he will be greatly missed in our neck of the woods 😞

I vaguely knew Gary from the race track years ago but got to know him when I moved to Brooklyn Park 5 years ago. He was a great neighbor and an even better guy. He will truly be missed in the neighborhood.
