“ I was very saddened to receive the news of Gary's death. Gary was a wonderful friend for many years. We worked together and also spent a lot of time together away from work. Gary was an outstanding engineer, devoted to his family and always kind and considerate of others. I have many wonderful memories of out times together. My wife, Lynn, and I send our sincere condolences to Sherry, Barb and David and pray that you will find peace and healing in the days ahead.
