*Gary, was beyond generous and the most loyal friend one could have. When life's choices or trials presented themselves, he would encourage you to move forward with strength and dignity, stating, "There is no future in the past." His passing leaves a hole, which testifies to the amazing man he was.*

“ Gary was a generous, loyal friend. He would never let you dwell in poor choices or life's trials. With a "There's no future in the past," he would encourage you to move forward with dignity and hope. The hole he leaves is a testament to the incredible man he was.

“ Gary brought joy to all of us. His laughter over-filled the room. We had such good times together in the early 80s on Colfax Avenue with Virgil, Milo, Pat, Greg, Carl and sometimes even Sister Jane. Celebrating your life, Gary. XO Jim Rickert and Ron Pentz

“ Gary was a most wonderful, caring and compassionate friend to me over the many many years I was privileged to spend time in the "salon chair". We shared life events, lots of laughs (loud ones!) and he always remembered the smallest and important details from our conversations over the years. My friend, you will always have a part of my heart!

*Gary was my amazing friend for 40+ years. In Minneapolis we lived in the same apartment building on Lake St, and in the mid 80's I helped him move to Groveland, one Waterford stem at a time. Gary did my hair, he planned my wedding...found the venue, the florist, the pianist and helped with the menu. We laughed and had fun every minute we were together. A great soul, gone too soon. The angels are lucky that Gary is amongst them.*

*Gary was a wonderful friend to me for 20 years, I loved our fun conversations and he always made you feel special. A truly delightful man. I live most of the time in South Carolina so I did not see him as often as I would have liked, but he will always have a piece of my heart. Rest in peace my cherished friend. Lori Kriwanek*
