“ I have fond memories of coach "K". He coached two of my Little league teams, the Orioles and Babe Ruth Giants. Great coach, a quiet motivator, and good with young men. What impressed me most about Gary was that he always remembered my name when I bumped into him in as an adult. I have lots of lasting memories of playing baseball with Steve, Warren, and Rick and being coached by a real classy guy. The Lords best to the entire family. I will be praying for all of you at this time of great loss Rest in peace coach.

“ I have so many memories it is hard to sort them out. As a child, I remember Gary as the dad of two of my best friends; Coaching the Bears Little League team; playing football in the back yard; going sliding on the hills at the woods; getting after us for being noisy on a Friday night sleepover because he had to get up early and go to work on Saturday morning; being way tolerant of the damage we did to the back yard playing home run derby. As an adult, I mostly remember Gary's voice and his smile and how I always felt at ease with him. He will be missed.
