“ I'm so sorry for your loss. Gary was such a gentle spirit. I'll always remember his bright smile and the excitement he shared about his beloved family. He would come into our Dental office with wonderful stories and pictures to share with us all. Gary would ALWAYS bring a smile to our day.
I know he Blessed my days in the office.
May you all be blessed with his happy memories.

“ Sending my love to Diane, Stephanie and your family during this time. I have been remembering the good times growing up. I loved hearing Gary play his organ every weekend during the summer so early in the morning. Also, the weekend cocktails that he made and always hearing him say, "You just need to try one bite than you can say you don't like it." We were so lucky to have been able to grow up with your family and share so much. Gary always had a big smile on his face. You are so dear to all of us and so supportive during the hard times. I know he's in a better place. He will not be forgotten but missed dearly.
