“ I've known Gary since our days at the University of Dubuque. We've been fortunate to have seen each other over the years. He was a very loyal UD Spartan. The whole Spartan community will miss him.

I worked for Gary at Onan Corp. in the late 1970's and early 1980's. He was one of the best bosses I ever had. When my mother was killed in a car wreck, Gary drove over 50 miles to attend her funeral service and give me his support. I was so touched by this act of kindness. I was thinking of Gary today and decided to look him up online. Sadly, I just now learned of his death. He will remain fondly in my memories.
