“ I just recently learned of Gary’s passing and I am absolutely heartbroken..... My deepest belated sympathy to his family and all those that were close to him.

Gary and I were best of friends during the late 50’s, early 60’s. I have such great memories of our times together, especially the scooter and car projects. I always anticipated bumping into him at one of the local car shows, like “Back to The 50’s”, but that was not to be. Gary was a good person and friend. His memory will be with me always.

Jim, you were more like a brother to Gary in the 50s than I was! I can cry just thinking of the loss. Gary’s son has a dental office at 6101 Nicollet ave so. Stop in and introduce yourself to Casey, he would love that, Lyle
