“ We just learned of Gary's passing and our family is quite saddened by this. He was my son's bus driver and provided great stability/support for him. We always missed him on the random days he had off. Gary even sent a thank you to my son for a gift he received, making my son's day. It is no surprise to see that he was an all around good guy and will be missed by many. We had been planning an end of year gift, which my son decided should go to camp New Hope instead. It is great that Gary is still helping others now! We wish all of his family and friends well.
