Age 43, of Minneapolis, died tragically March 17, 2020. Survived by wife, Colleen Schmidt; mother, Gail Berens (Ray); father, Randy Hed (Kim); siblings: Brad, Amy & Candace; aunts, uncles & many other extended family members. Gary was an avid fisherman. Many of his passions included being outdoors & enjoying many of the amenities the great state of MN offers. He traveled, cooked, loved music & playing guitar. Telling jokes, storytelling & making others laugh were just part of his nature. Like many, he endured hardships here on Earth. However, he showed strength until his last day.
