“ *In December of 1999 our 13 year old daughter Lindsay was diagnosed with Lymphoma Cancer that had an 18 month treatment protocol. I the spring of 2000 GAL (Girls Glen Lake Softball) started up and our daughter asked if she could play. Obviously we were concerned about her strength and ability, We went to spring sign up and expressed our concerns and asked if she could be part of the game somehow, Almost before we were done expressing our caveats Gary said he want our daughter on his Team. With Gary's kindness, patience, thoughtfulness, and support Lindsay was able to play several games. Gary provided our whole family a respite from doctor and hospital visits. Lindsay has survived and we are eternally grateful to this great man Gary Unze. Please accept our deepest condolences.*
