Tribute Wall

“ I remember Gary well from B.Dalton Computer Operations (OPGQV), he was the pillar of third shift, and always patient and kind. I am very sorry to hear of his passing.

SF

“ *My memories of Gary was of a man that never had a bad thought or word for anyone. He was a very dear friend for over 30 years. Gary and I worked together at B. Dalton and Toro. We spent many an hour fishing in Chetek, WI. My heart goes out to his loving wife Peg and family. There will always be an emptiness in my heart for GARY and his smiling face. He will be truly missed. God Bless*
