“ We were so lucky to have Gary as our neighbor. He always had a smile and a wave as we admired his cars. He was the first to lend a hand and was so kind to our kids. He is already missed and our alley doesn't feel the same without him. Much love to the family from South Minneapolis neighbors.

“ *While I did not have the opportunity to know Gary personally, I truly enjoyed hearing the many stories shared by colleagues about his deep love for his family and the life he built outside of work. It was clear from those reflections how well respected he was and the lasting impact he made through his many years of service. My sincere condolences to Gary's family, friends, and all those who had the privilege of working alongside him. - Brianna Teel, Seagate HR Manager*

“ I worked with Gary for many years he was always upbeat and quick with a big smile and a “how you doing”. Gary was as good of guy as there ever was. He loved to talk about fixing car. Gary will be greatly missed by everyone that knew him. RIP Gary.

“ As your oldest niece, Uncle Gary, I'll always remember you with your sharp cars, especially those Cadillacs. You always looked so smooth and fly, and I remember how good I felt riding around with you. Those memories will always stay with me.

Thank you for the rides, the memories, and for loving me. You will truly be missed but never forgotten. Rest easy, Uncle Gary, and kiss Mom for me. ❤️ Brina
