“ Dear Alex and family - Gayle had served on our Learning Exchange Advisory Partners (LEAP) Committee for the last 10 years. I knew her before that because of activities that Alex attended at Learning Exchange (part of AR&LE). Gayle had a passion for sharing resources and a passion for life. My heart goes out to you as you remember her vibrant spirit and advocacy. God bless you during this time.

To Gayle's family I know this is late. My name is Erin OBrien. I will always think of Gayle as my older sister if she lived with us when I was small. In the past couple years we had gotten together again and it was so wonderful. I have fond memories of Gayle as my oldest sister! I was sad to read this. I had tried to call her several times and sent a bunch of texts and did not hear back. I thought it was very odd and I had a sad feeling, and I googled her and found this. I still think of her often and will continue to do so. I will pray for all of you. I know she will be missed.
