“ I was unable to attend Gene's visitation or memorial service yesterday. Please know that I am thinking of you all during this difficult time. Memories are what gets you through the tough times and what memories you must have of Gene. He had the best laugh and knew how to work hard and play hard. Cheers to Gene and all the good times! My love to Patty and the rest of the family.
Warmest wishes for peace,
Robbin (Derksen) Walker
