“ My deepest condolences to you all! Mom Schultz was fiercely independent and strong-willed and I imagine that she and Darwin are speeding along on a Harley in heaven...loved them both!!!
Big hugs!!!

“ Life long friends through my folks of Darwin & Geneva. So many fond memories of our families visiting, laughing and playing cards. I bought Darwin's last Harley (the beautiful candy apple red 91 Electra Glide) This bike has taken me to Fairbanks Alaska, Texas, Sturgis every three years, Glacier Park, Banff and Jasper and just tooling around the North West. I would talk to Geneva a couple times a month and renew our kinship...Love you girl. Always in my heart.

“ Dear Cherie; Thank you for letting me know of your dear Mom's passing. I am so glad she and I talked not so long ago. I always was treated with great love and friendship by your Mom. She was a special lady who cherished all of you kids and your Dad. Yes we did enjoy our late night phone conversations! She was so wonderful. I loved that she loved to fish and decorate for Christmas and her puppies and mostly her fierce love for her family. Thank you Cherie for sharing your Mom with me; you were always so kind and welcoming and thoughtful towards me. My deepest sympathy to you and your family. Thanks Cherie. Love Ruth
