

Genevieve Muriel Jacobs

February 27, 1920 - June 26, 2026

Gen was born in Bertha, MN, February 27, 1920 to Maude and George Domian. She had one sister, Glenna. Music was a big part of her academic life both in vocal and instrumental groups, having played the trumpet, French horn, string bass, and piano.

She was an honor student in high school and college, being one of the top ten college freshmen. After graduating from college, she taught school for 4 years and later did substitute work in St. Paul and Maplewood schools.

Her pastimes were knitting, needlepoint, golf, (obtaining a hole in one trophy), Bridge (becoming a Master player), crossword puzzles, Scrabble and was a big Twins fan.

After marrying Louis Jacobs in 1944, they had 4 children: Gregory, Ronald, Mary Kay and Gerald. Louis became a 3M Plant Manager in Valencia, Venezuela in 1965 and the family enjoyed living in the tropics for 4 ½ years. Lou's 3M job took him to all parts of the world. Gen also enjoyed some of those trips including Mexico, Australia, Hong Kong, Tokyo, and Thailand. They also enjoyed 3 cruises with friends which included Alaska, Colombia, Panama Canal, and Aruba.

One of Gen's biggest thrills was becoming a grandmother. She always enjoyed being with her grandchildren. During their marriage, Gen and Louis were active doing charity work such as stocking food shelves, delivering meals on wheels, and serving food at community centers.
