“ *Grandma, I'll never forget the taste of the cookies, the warmth of the mittens, or the joy in the hugs. You taught me about grace, love, humor, and compassion and I can only hope to continue your legacy through all those things and more.*

“ My mother, Marion Strand Carlson, now 94, taught with Genevieve at Eyota, MN in the late 30s. They stayed in contact for the next 60+ years until my mother's health faded in the early 2000's. We wish the family well in this time of grief.
