“ Gen and I spent time together as we were growing up in Morris. We both lost a parent at a very young age, likely being one thing that forged our friendship. I loved being at their house, chatting with Gen and her mom Veda, being in awe of her older sister Mary Sue, and of course all the teasing from her brother Ans. When I think about Gen the first word that comes to mind is “kindness”. Heaven is a happier place with Gen there!
I’m so sorry for the loss you are all feeling with Gen’s passing ~ you have my deepest sympathy.

“ *So sorry to hear of Gen's passing. I worked with her at the U for all the years she was there, leaving around the same time she did. Loved working with her, so many funny stories. She kept things fun and lively,*
