“ I have so many fond memories and feel blessed to have known Gen. She was a lovely woman with a zest for life that anyone who came near her could feel. She will be missed by many but will live on in spirit for even more.

“ We are deeply saddened by the passing of our sweet and gentle Aunt. We know she is in heaven with Uncle Don and her family and full of life. She will always be in our hearts, daily thoughts and prayers and deeply missed. Our thoughts and prayers are with her daughters, son and grandchildren. Please do not be sad as we know she was sick and did not know anyone before her passing and now we know she once again is herself and we know she is dancing the Polka with her beloved husband and the rest of he family. We were blessed to have an angel with us on earth and now in heaven watching over us. God Bless you all, we love you and you are in our thoughts and prayers during this time of grief.
