“ Gen had to be the most positive person I knew. If she was down, or nerves, scared or anything, she never seemed so. She put a positive spin on everything. Yes she spoiled us, loved on us made us feel like we were #1. She was good for any family history question, and everyone I can think of related to this family thought of her as someone special, she really did have a connection with all the relatives, many that don't know each other, all of them knew Gen. She was very patient. It really did take a lot to get her mad, I don't honestly know that I have ever really seen her "mad" She was much more than a Auntie to us all, I don't think I have words that really fit who she was, and will always be in my heart for her. Love you Aunt Gen. So glad you are face to face in the presence of the Lord.

I found a few pictures of her fun and her fan clubs, kids and pets.

“ *Aunt Gen was always a presence at any family gathering I attended, and like the rest of her family, I was always welcomed as a family member. She had the gift of hospitality and the gift of gab! It will be hard to imagine her missing from future gatherings. May God bless your family with His perfect peace as you learn to live without her dear presence. Teri McGiffert*

“ Aunt Jenny was a wonderful person. She always put others ahead of herself and welcomed everybody. She sent \$2 bills to everyone for their birthdays and every holiday. She will be greatly missed.

“ Oh so very many memories I have of this precious lady. Some of my earliest are of her taking me to the farm when I was very little. The songs we would sing in the car on trip, the great times with loved ones there. I personally was privileged to travel across country with Gen and Grandma and Grandpa a couple of times to visit family that lived out of state. Then there are evenings we would just talk on the phone after I would get the kids in bed. A couple of years ago we were driving to WI together to visit Nika and Steve when I decided to try a different route and we got lost in the countryside. Oh we had such a great time. She reminisced with me just a couple of weeks ago about that. She touched lives, hundreds and hundreds of lives and she will be missed beyond measure. I love you aunt Jenny!

I have always known her as. "aunt Jen" even though I was not part of the Smith/Naumoff family. She had the best hugs and always a smile. She is well loved by everyone that knew her.

Aunty Jen, hugs and love to you! I know our family has embraced you in their arms along with god. Many of us have fabulous memories of Aunty when she made you feel special when she was with you. watching her as she held your babies in her loving arms. She is a rock in my life that I will truly miss.
