“ I came across this obituary, and I was wondering if Jeff ever lived in St. Cloud? Would anyone know and would they please post their answer? Thank you.

“ Geoffrey - I always loved your name! Wikipedia says it's a Germanic compound of 'god' and 'peace'. Well named you were - so appropriate! Just a good guy!

For at least 13 years, we were next door neighbors. I am who I am and where I am because of you, my friend. Along with Sandy & Dave we laughed, we cried, we played, and we lived! I know you have the angels dancing and laughing, and cheering the Vikings on! Watch over your family and friends - put in a good word. We'll see you down the road.

Love,  
Cinda

“ Geoff was a great man in my life. Haven't been in contact since he lived in Mpls. He will be missed. I have an answering machine tape with him on it saying "hello answering machine, [expletive] you!" lol! We got an answering machine for christmas and were at his house on New Years. Maybe 1988? I was just calling from his phone to check out our new answering machine and requested he speak.
