“ Dear Maurine and Family, We send our sincerest sympathy on George's passing. He was a great man, friend and associate for many years at General Mills and Henkel, always kind and helpful to all. We will carry these wonderful memories of him for the rest of our lives. Sorry for this late posting, Milaca does not always get the news very fast or our reading the newspaper was rather poor. Love to you all. Don and Norma Carlson

“ I liked George from the moment I met him in the fall of 1981 when he and Maurine visited Andre at Yale. We've been friends ever since. George was extremely kind and quick-witted. He had the special ability to make any gathering more festive. He could make anyone laugh, especially me. I'll miss him. Matt Kipp

“ Dear Maurinel worked for Henkel just before they moved. I loved George, he was very kind and most of all fun loving. It is sad to think George has passed. He was the greatest boss I ever had, someone who we could share ideas with and he fostered them. He loved his wife dearly and his family and all the ghosts. I'll pray for you. I am sorry for your loss.

“ To the Burke family. George was a great family friend and fine example to us Brodess kids growing up. Though the years have passed since we've seen you last, the fondness remains. May he rest in peace.
