“ George Masica, what a guy!! Served in the Pacific theater during WWII aboard the U.S.S. Montpelier, helped make America the great country that it is today.

I met George over 25 years ago as he and my Grandma spent almost 20 years together. He was a class act, treated my grandma like gold and was always accommodating when family would visit them in Florida. He gave good advise on life, making good choices, saving money, living right etc. His only vice was his love for his Minnesota Vikings and Twins!! Lol

A lot of good memories, playing golf, going to see the Tigers at Spring training, and playing cards to name a few. I always enjoyed his stories when he was in the Navy, sleeping on the deck using his shoes as a pillow; it was too hot to sleep below deck. His appreciation for the PT boats (that provided protection). Lastly the food, having to eat bread with bugs cooked in them or how much he enjoyed a little gedunk or pogy bait!!

Thanks for taking care of my grandma and being a good friend to me and my family. I'm going to Mickey Dee's today to eat a McRib sandwich in your honor!!!
