“ To George's extended family and friends, my family and I have shared a lot of great memories of George and Regina over the years. We are deeply saddened by his passing but know he is now rejoined with Regina, our Mom and his other siblings and family members who proceeded him. George will always be with his us, not in the physical sense but forever in our hearts and memories. We pray God's Blessings for all of you through this time of mourning and that you know he is in a better place, that house not made with hands eternal in the Heavens. Our Love and Blessing to you all
