

## George Seidel

November 6, 2002

George E. Seidel was born in Minneapolis September 21, 1909, and died at age 93 on Nov. 2, 2002. George had a fifty-year career in the office furniture and equipment industry. He was the founder, owner, and president of Business Furniture, Inc., and he worked actively until age 75. George was an avid sportsman; he loved duck hunting, skeet shooting and golf. George and his wife Flo returned to Palm Springs, California in 1985. In 1998, he retired to his home in Minnetonka to be nearer to friends and family. George was preceded in death by his parents, Gus & Emma Seidel; his wife, Florence Seidel, and his sister, Florence Erickson. He is survived by his son, David G. Seidel; his grandson, Adam Seidel and by Gerry (Harriet) Johnson, Huntington Beach, CA; niece, Jean, Mesa, AZ; by his very close and caring friends, Don Ryan and Nancy Stidger...and by all his friends at the Hopkins VFW. George is currently leading a rousing rendition of "Hello Dolly" in Heaven. All will remember his effusive, out-going personality, his strong hand shake, his wonderful smile, and his love of life. Visitation will be held at Washburn-McReavy located at W. 50th St. & Hwy 100 in Edina, from 5-8 pm Wed., Nov. 6. Services will be held on Thurs., Nov. 7, 11 am at this same location, with a luncheon to follow. We give thanks for the great memories and for the fully lived life of George Seidel.
